

Annual and Personal Leave Policy

Purpose

This policy sets out how Harbourline Freight Systems staff accrue, request and take annual leave and personal leave. It applies to all permanent employees across our Melbourne, Sydney, Perth and Auckland offices.

Annual leave entitlement

Permanent full-time employees accrue 25 days of paid annual leave per year, accruing progressively from the first day of employment. Part-time employees accrue on a pro-rata basis according to their contracted hours.

Accrued annual leave is capped at 40 days. Any balance above 40 days is forfeited on 30 June each year, so staff carrying large balances should plan leave with their manager well before the end of the financial year.

Leave type	Entitlement	Accrual
Annual leave	25 days per year	Progressive
Personal/carer's leave	12 days per year	Progressive

Personal and carer's leave

Employees receive 12 days of paid personal and carer's leave per year. This covers personal illness or injury, and caring responsibilities for an immediate family or household member.

A medical certificate is required for absences of three or more consecutive days, and for any absence immediately before or after a public holiday.

Requesting leave

Leave requests are submitted through the People Portal. Requests of five or more consecutive days require at least 10 business days notice so that team coverage can be arranged. Shorter absences require manager approval but no fixed notice period.

Managers respond to leave requests within five business days. Where a request is declined, the manager must record the operational reason in the portal.
